

Football, baseball, soccer and other youth sports are dangerous. Your child may be killed or seriously injured, including becoming paralyzed, brain injured, or crippled while playing these sports. Volunteer coaches will coach your child. They will not be full time, professionally trained coaches. Recognizing the inherent risks associated in playing the above noted sport and still desiring my child to participate, I hereby agree to indemnify, defend, and hold harmless the Georgetown-Scott County Parks and Recreation, its coaches or other individuals connected with the program for any damages and/or liability arising out of any injury to my child. I further authorize the coaches and referees to obtain medication or medical treatment for my child in case of an emergency when a parent or guardian cannot be found. All participants and parents must abide by the Parks and Recreation Physical/Verbal Altercation Policy. A copy of the policy is available at the Parks and Recreation Office or on the SCY Football website. You agree to allow SCYF League and SCYF Boosters to use your child's action photo or likeness in advertising for the league on websites and social media.
